ALLERGENIC INGREDIENTS

If you have an allergy or intolerances we can adjust some of the dishes on the menu. To make sure this is handled properly it is best to ask to speak to one of our managers, who will be pleased to run through our recipes. We cook from scratch in the kitchen, which makes most adjustments straight forward. However, we do need to point out that since many of the dishes prepared in our kitchen contain dairy, nuts, flours and other allergenic ingredients, unfortunately we cannot guarantee that any of our food is completely allergen free.
