

STAYING COVID SECURE

We are committed to making sure we are COVID-19 secure. We can therefore confirm we have complied with the government's guidance on managing the risk of COVID-19

We have taken the necessary steps to ensure the Health and safety of all our guests and staff and to minimise the risk in all areas of the hotel.

- We have carried out a COVID-19 risk assessment and shared the results with all our staff.
- We have put in place rigorous cleaning, handwashing and hygiene procedures in line with government guidance
- We ask guests to respect social distancing when in the hotel and restaurant.
- Our team are continuing to wear face coverings. We respect your choice but recommend when moving around the hotel you too wear a face covering unless you are exempt.
- We will continually review the measures that are in place to manage the transmission risk
- We will communicate to all guests on arrival the measures and procedures we have put in place to ensure they all feel comfortable and enjoy their stay with us.
- Should you have any concerns or further questions then please do not hesitate to contact us and we will be happy to help.
